
AGP'S 2ND Annual Charity Golf Tournament

September 11, 2021

The VFW Post 4031 Color Guard presenting the flags and Cole Perez getting ready to sing the National Anthem at the opening ceremony to honor those who lost their lives on 9-11.

AGP Scores Big at Tournament

The Adaptive Golf Program's 2nd Annual Charity Golf Tournament was held on the 20th anniversary of 9-11 and incorporated military Color Guard and the National Anthem sang by one of AGP's golfers, Cole Perez.

The tournament was maxed out with 100 golfers and was supported by 38 businesses sponsoring and/or donating prizes to help make AGP's tournament a huge success!

Golfers got to hit an opposite hand drive, an opposite hand putt, and even had a chance at making an albatross on a par 5 with the help of an "adaptive

drive" from three AGP golfers trying to hit the ball on the green from 100 yards away.

AGP raised over \$18,000 and was able to donate \$2,000 of that to the VFW Post 4031 to help support local Veterans. The money raised at the tournament will help AGP expand programming to include more military clinics, purchase new, innovative equipment, and most importantly make golf and all of its benefits accessible

to everyone. Thank you to everyone who played in and sponsored the tournament, and a special THANKS to Hillcrest for all of their support!
